Request sanction to withdraw Rs 31,174/-
High School Building Funds —

The Maddur Town Municipal council resolved in the meeting held on 30-9 1946, that a Sum of Rs 3,000/- towards the cost of acquisition of the site in S Nos 699/2, 701 & 702, for the construction of the Municipal High School Building at Maddur be met from the School funds. The School fund amounting to Rs 31,174/- has been credited to Municipal funds. To meet the expenditure in connection with the construction of the Municipal High School Building at Maddur from time to time Govt sanction has to be obtained each time. To avoid this the D C recommends the withdrawal of the entire High School building fund in the Govt Savings Bank and to invest it in the name of the President, High School Committee, Maddur

Returned with compliments

1 The Municipal High School Building Fund has been credited to the Municipal Funds This necessitates obtaining sanction of Government every time money is required for meeting expenditure in this behalf To avoid this inconvenience, the Deputy Commissioner has requested that the Building Fund be withdrawn from the Municipal Fund and placed in the Savings Bank Deposit in the name of the President of the High School Committee This may be done, but it is desirable that every withdrawal from the Fund be ratified by a resolution of the Committee of Management to ensure collective responsibility. } A

Sir,

Re the deposit of Acquisition cost for the construction of the Municipal High School Building at Maddur

I have the honour to state that the President, Town Municipal Council, Maddur reports that a sum of Rs 2000/- has been provided in the estimate for the above building towards the cost of acquisition of the site in S Nos 699/2 701 and 702 The actual acquisition cost would come up to Rs 3000/- and the Municipal Council have therefore resolved at their meeting held on 30-9-46 that the entire acquisition cost of Rs 3000/- may be met out of the Municipal High School building funds of Rs 31,174/- credited to Municipal Funds on 18-9-46 As no provision has been made for this purpose in the Budget Estimate of Municipality for the current year and as the High School building funds have been credited to Municipal Funds, I request you kindly to obtain the orders of Government to withdraw the entire amount of Rs 31,174/- and to place the same in Government Savings Bank in the name of the President of the High School Committee, Maddur, so that the need for seeking the sanction of Government every time to draw the amounts required for expenditure in connection with the construction of the High School building may be avoided

A copy of the resolution of the Municipal High Council together with the report No O C 47/46-47 dated 6-10-46 is herein enclosed for favour of reference

Subject - Municipal High School Building fund and how it is operated upon

---

In continuation of my Un-official reply No 57/46-47 dated 14th March 1947 and with reference to the 2nd paragraph thereof, I have the honour to state that replies have been received from the following institutions

1	The Municipal High School,	Hursur
2	-do-	Chamarajanagar
3	-do-	Gundlupet
4	-do-	Closepet

The President, Municipal Council, Closepet, says that the Building Fund of the Municipal High School has been deposited in the Savings Bank Account at the Taluk Treasury in the name of the President, Town Municipal Council through the High School Fund Committee and the same will be credited to the Public Works Department Deposit, as soon as the - construction work is taken on hand From the reports received in respect of the other schools, it is seen that the Building Fund is deposited either in the Government Savings Bank Deposit or at the local Treasury in the name of either, the President, Municipal High School - Committee or the President of the Municipal High School Building Committee

p t o

As the works have not yet been taken up, there has been no occasion to withdraw any amount from the fund It is however stated that as soon as the construction of the buildings is taken up, the money would be transferred to the Public Works Deposit, for utilisation
